

IMPORTANT NEW SAFETY MEASURES – PLEASE READ

In light of the current pandemic, we have put in a number of new safety measures to safeguard the health and well-being of all our staff and customers.

RULE OF SIX

It is important that everybody adheres to the social distancing guidelines. Social gatherings must not currently exceed six people in any setting, indoors or outdoors. Groups cannot mix under any circumstances.

OPENING HOURS

We are required to close our doors by 10pm and will be calling last orders at 9.30pm. Any outstanding bills need to be paid for by 9.45pm and all guests will be requested to leave by 9.55pm at the latest.

We will be opening from the slightly earlier time of 4pm on Fridays and Saturdays and we would encourage guests to book tables earlier in the evening during the autumn and winter months.

BOOKING A TABLE

Whilst we may be able to accommodate some 'walk-ins', we are encouraging all customers to book beforehand. You may contact the restaurant by telephone or book a table via our website. We will need to keep an accurate record of customers names and contact details to assist with NHS Test and Trace. These records will be kept for 21 days.

**IF YOU HAVE A HIGH TEMPERATURE OR ARE FEELING UNWELL
PLEASE CANCEL YOUR BOOKING BY CALLING US ON
0121 454 6877.**

ENTRANCE AND EXIT

We will require all guests to wear facemasks as they enter the restaurant and at any time when they are not seated at their table.

We will be operating a one way system in and out of the premises. Customers will enter through the double doors that lead directly into the bar area. We will be asking our customers to wait in the bar area where they will be greeted by a member of our team and escorted to their table. There will be a hand sanitising station in the bar area for customers to sanitise their hands prior to being seated.

Once customers have finished they will leave through the double doors leading from the entrance hallway. Any customers who have been dining in the garden may also leave through the garden gate which leads into the rear car park.

MENUS AND ORDERING

We will only be using disposable menus. The menus will be shorter than usual as we have had to reduce the number of chefs in the kitchen. But don't worry ... all our best sellers will remain!

Service is strictly table service only and guests are not permitted to order drinks or food at the bar. Face masks are required to be worn by staff at all times. We kindly ask that customers remain at their table at all times apart from going to the toilet.

TOILETS

Toilets will be regularly cleaned and numbers visiting them will be restricted.

ENTERTAINMENT / GARDEN

Our live music programme for the year has now ended. Weather permitting, we do have outdoor tables available to book in our garden.

CLEANING

Regular cleaning will be in operation throughout the premises. All staff will be washing their hands regularly and using hand sanitiser. All tables and chairs will be thoroughly cleaned after each customer.

PAYMENT

Whilst we will continue to accept cash, we would like to encourage all customers to pay by card – preferably contactless.
